

Gaffney High School's Spirit Week

Za'Riah Smith
Staff Writer

In celebration of the 2022 Homecoming assembly, the GHS staff has created the 2022 Spirit Week an eventful week characterized by the student body's ability to dress, act, and support the Indian pride.

Wednesday, September 21st, will be Superhero day. Marvel or DC, female or man. Choose your favorite superhero and embody their story.

Monday, September 19th, will be ANYTHING BUT A BACKPACK DAY! This is a popular trend that has took TikTok by storm. Students may bring anything to carry their school supplies BE-SIDES a backpack.

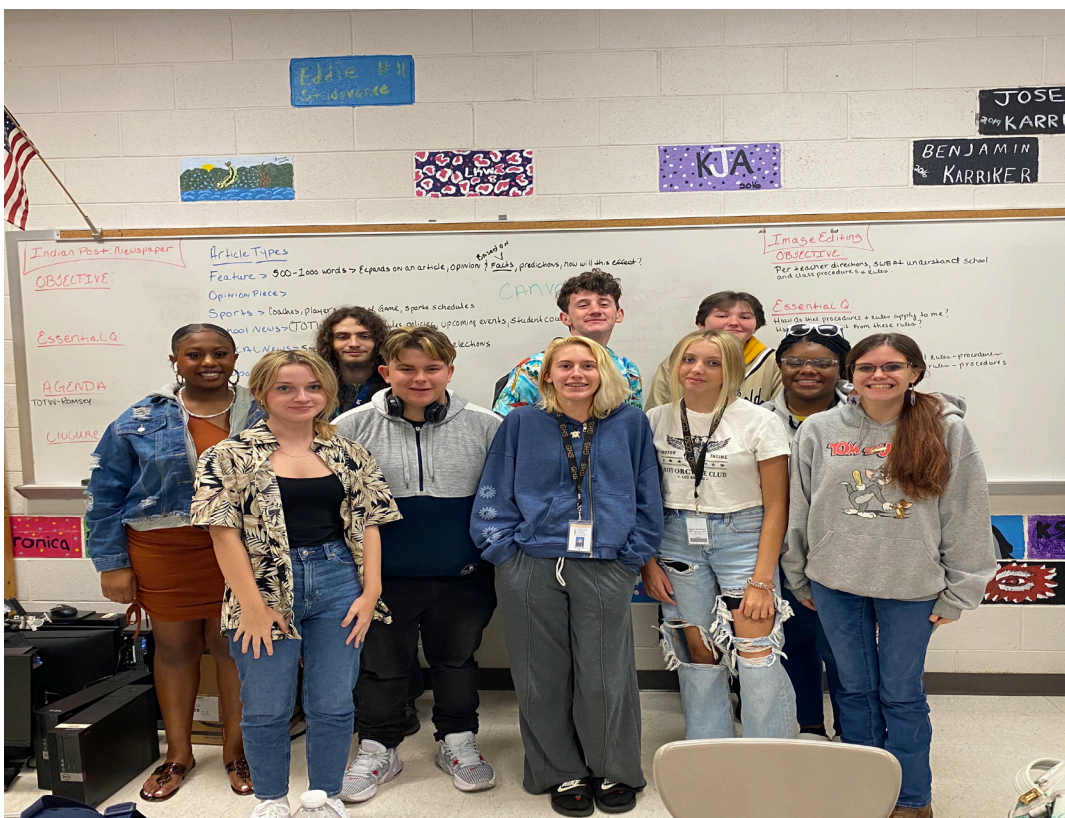

Thursday, September 22nd, will be throwback thursday. Pick your favorite decade and relive the cultural fashion trends of a time before you. From the 00's era of hip-hop and the 70's disco tech fashion, what will you choose?

Tuesday, September 20th, will be MATHLETES vs. ATHLETES. Students will pick their side and dress up as apart of the Nerds or the Jocks. Who will win?

Friday, September 23rd, will be the famous Black and Gold day. Celebrate GHS as they will later take on Fort Dorchester in their homecoming game.

Gaffney High School Indian Post Voice of the Tribe

The Gaffney High School's Indian Post is a student led Newspaper; whose importance is to focus on publishing major issues and topics that circulate the media around Cherokee County. Whether it be; Student Life, GHS Spotlight, Editorials, or Global and Local News, the Indian Post will write a fully developed and well written piece that will give and in-depth analysis of the topic at hand. This year alone we have tackled close to thirty pieces of news that cover all forms of the world around us. We plan as a staff to write about anything and everything pertaining to the broad world that has been dominated with the usage of social media. As we go forward any news that needs to be seen by the public eye can be brought to our attention; emailing any head of staff at the Indian Post will allow your voice to be heard and broadcasted to the student body. Gaffney High School's Indian Post, as always VOICE OF THE TRIBE!!!

Senior Spotlight

This years Homecoming Senior Spotlight is *Ms. Emma Paris*

What schools have you attended?
I attended the Village School kindergarten through 8th grade.

What sports do you play?
Cross country and soccer.

What is your favorite color?
Blue.

What are some words of wisdom?
Try your best in everything.

What's your favorite class?
Yearbook.

What's your feelings about being Valedictorian?
It was unexpected and I didn't know it was going to happen.

What is your favorite thing to do in your free time?
I like to hang out with teammates.

Super Staffer

This years Homecoming Super Staffer is *Mrs. Lawanda Moorer*

How long have you been at Gaffney?
6 years

What is your favorite thing about your job?
I get to interact with so many different people, different students, parents, teachers and people in the community.

What does the future look like for you?
I'm looking forward to seeing students get back to having normalcy post covid, having a normal homecoming and everything that leads to graduation.

What is your motivation?
To be an asset and not a liability, to be able to help all students in a beneficial way.

What is different about high school now vs when you were in high school?
When I was in high school it was just like to 80's movies, everybody was in cliques as to where now the student body is more diverse.

Feature Teacher

This years Feature Teacher is *Mrs. Karen Denton*

What do you teach?
Librarian and has taught chemistry and several math subjects.

How long have you been at Gaffney?
21 years

Where did you go to college?
University of South Carolina

What is your favorite color?
Green because there's many different variations.

What is your favorite animal?
Emu because they look crazy.

What is your dream vacation?
Greece because it looks very pretty with the white buildings against the ocean.
